

Coastal Kids Helps Food Pantry

Coastal Kids Preschool students and their parents are helping local families during this holiday season by conducting a "Spirit of Giving" food drive. The children have already collected a large bin of food and nonperishables they plan to donate to the Ecumenical Food Pantry in Newcastle. "We collected food throughout November," said Education Director Priscilla Congdon. "Giving back is just one way we can show our gratitude and commitment to our Lincoln County community who have been so supportive of our program."

This fall, Coastal Kids, located on 12 Jackie's Trail in Damariscotta, began its 20th year educating area preschoolers. Coastal Kids Preschool's mission statement is to provide a developmentally appropriate preschool education for all children regardless of income or ability. The school has limited openings for children ages 2-8 years in its preschool, full day, or afterschool programs. Call Congdon at 563-5335 for more information or to schedule a tour.
