

20th Anniversary Sponsors

Braving temperatures in the teens, these brave sponsors of Coastal Kids Preschool gathered in front of the School's new sign on Biscay Road. The sign, celebrating Coastal Kids' 20th Anniversary, highlights the generosity of the four "Dolphin" level sponsors: Bath Savings Institution, King Eider's, Renys, and The First. Also present were Jane and Gary Gravel of Supplies Unlimited/Oliver's Print Shop, who donated the 20th Anniversary sign to the School. Missing from this picture is David Nadeau from The First. Coastal Kids is most grateful to these wonderful people and the organizations they represent.
