

**Press Release**  
**Coastal Kids Preschool**  
**May 23, 2016**

On a beautiful, sunny Saturday in May, seven Coastal Kids families, along with board members, came together for Spring Clean Up Day! They were joined by eight strong and extremely helpful young men from Lincoln Academy's Service Fraternity, Alpha Epsilon Gamma.

The group weeded, spread mulch, trimmed hedges, cleaned and filled the sandbox, and completed many other clean up jobs. Coastal Kids is extremely grateful to these people for giving their time, energy, and hard work to make our School look terrific!

Coastal Kids is now enrolling for the fall. Call 563.5335 for more information or to schedule a tour of the facility.
