Coastal Kids Preschoolers Graduate

Graduation ceremonies were held recently for twenty-six preschoolers at Coastal Kids Preschool in Damariscotta. This was the 21st^h graduation program for the preschool.

The program began with a greeting by Executive Director Mimi Reeves, followed by a traditional graduation procession to the strains of "Pomp and Circumstance." Education Director Priscilla Congdon then introduced the program schedule.

After much waving and smiling, the children entertained parents, grandparents and friends with a selection of songs. Diplomas were then handed out amid much applause by teachers Congdon and Jane Gilbert. A reception followed for the graduates and their families.

The children will be attending kindergarten programs in Damariscotta, Nobleboro, Bristol, South Bristol, Wiscasset, Jefferson, Waldoboro, Edgecomb, and Friendship.

This fall will start Coastal Kids 2nd year educating area preschoolers. Coastal Kids Preschool's mission statement is to provide a developmentally appropriate preschool education for all children regardless of income or ability. There are still limited openings for the school's nine-week summer camp and fall session for children ages 2-9 years. Call 563-5335 for more information or to schedule a tour.
