Tuition is based on the number of days your child is enrolled, not the specific day chosen. Each year, we count the total of instructional days available – removing holidays, in-service, and school closure days.

We use that total number of days to calculate the cost of care. The cost is then divided evenly across 10 monthly payments (September – June).

Families may choose to pay in full for the School Year program in September, and separately for the Summer Program in June, instead of following monthly payments.

Tuition is the same regardless of snow days, family vacations, and absences.

PAYMENT POLICIES

Monthly payments are due at the start of each month upon receipt of our invoice. Weekly payments may be set up with our Finance Director and are due by the first day of attendance each week.

A \$40.00 late fee will be assessed, and enrollment will be discontinued, if the balance is not paid in full or a payment plan is not established with our Finance Director by the 15th of the month. Billing inquiries or payment plan arrangements may be set up by emailing michele.barter@coastalkidsme.org or calling our office at (207) 563-5335.

Late pickup fee is \$10.00 per 5 minutes late.

Need-based tuition support is available; please email jenn.caron@coastalkidsme.org for further information about our in-house scholarship and the State of Maine Child Care Affordability Program (CCAP).

We closely follow the RSU 48 school calendar for vacations and holidays, with some exceptions; please reference our school calendar. We typically delay or close for inclement weather when RSU 48 delays or closes.

We are closed to all students on holidays and for two shut down weeks: the third week of June; and the third week of August.

Tuition is expected to be paid for any family vacations that are taken during the school year.

Thank you for choosing Coastal Kids Preschool for your early education needs. We appreciate you.
